

## ADDING ENSEMBLE VIDEOS INTO SOFTCHALK

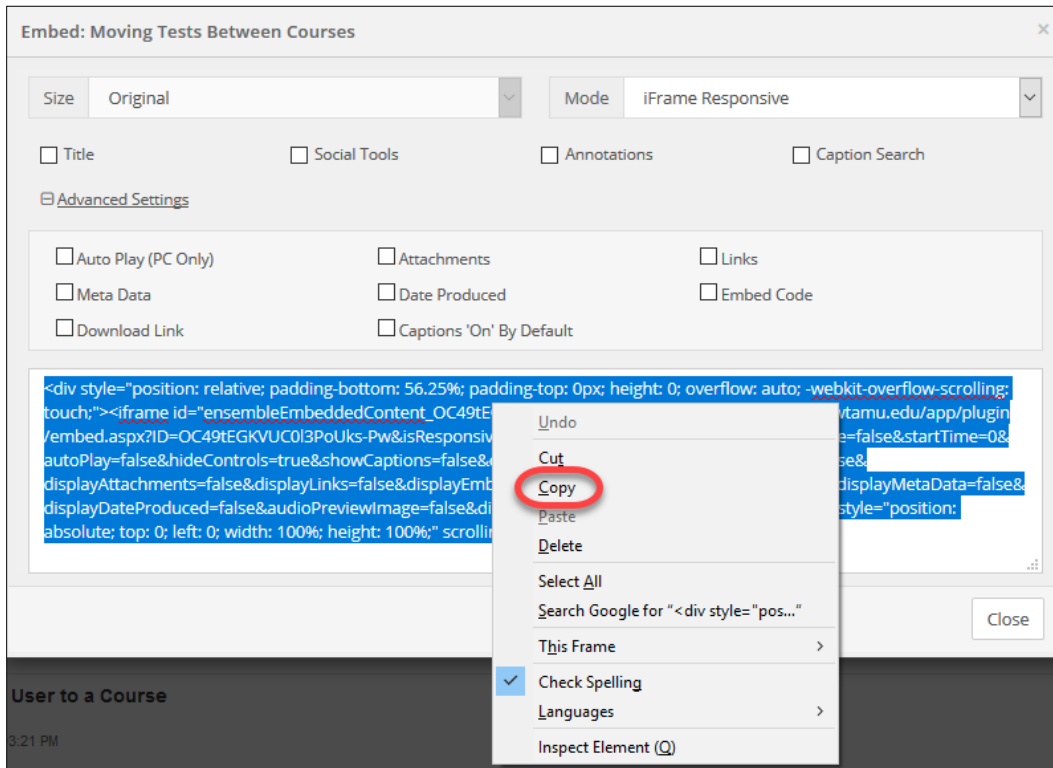

1. Access the WTAMU Ensemble website at <https://ensemble.wtamu.edu>.
2. Locate your video in the list of videos uploaded to Ensemble.
3. Click the Embed button.

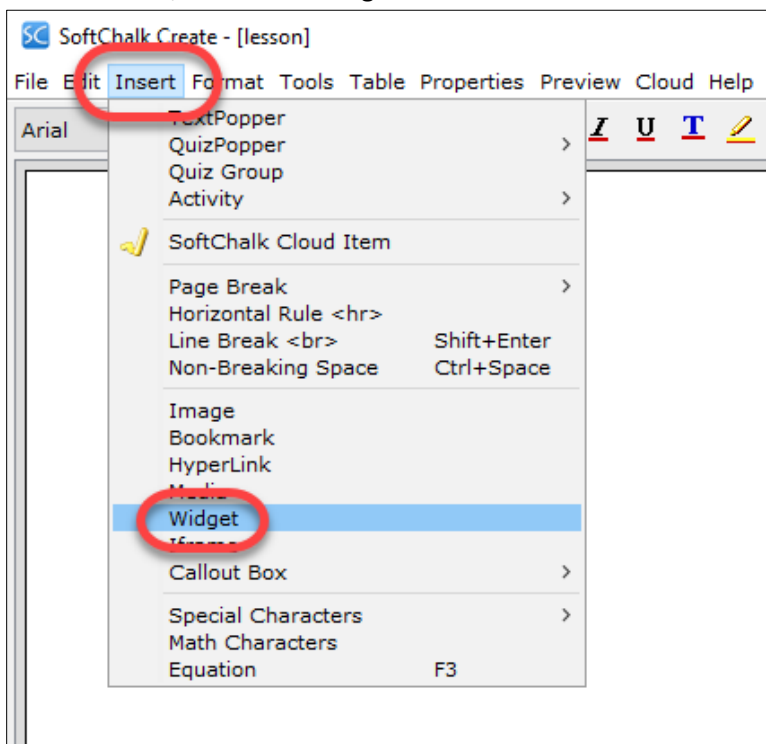

4. Select any desired options available, or within the Advanced Settings area.

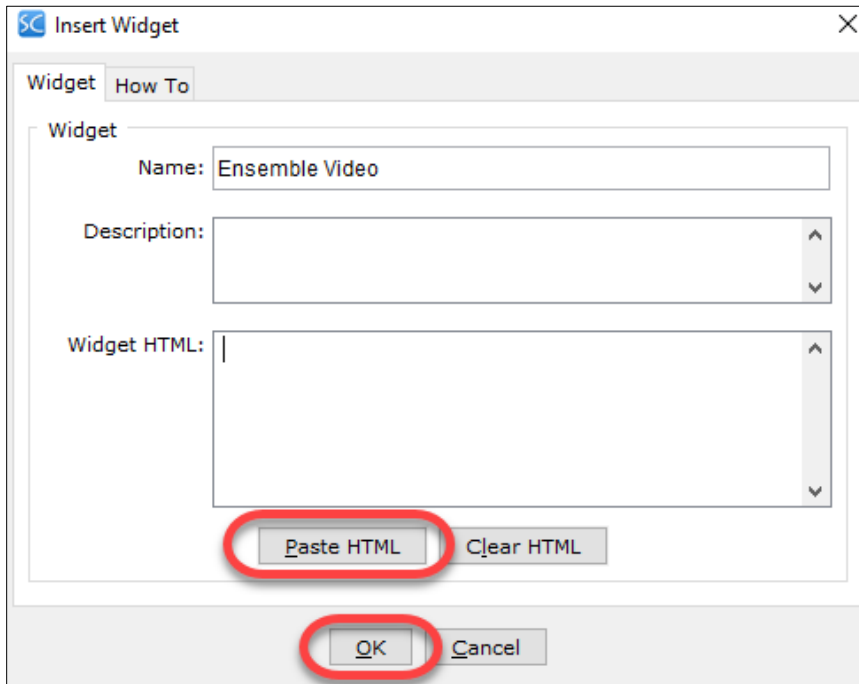

5. Right-click within the box of code, and select Copy.

6. Within your lesson in SoftChalk Create, place your cursor where you want to add the video.
7. Click on Insert, and select Widget.

8. Enter a Name for the video, click on the Paste HTML button, and then click the OK button.

9. A Widget Placeholder will appear. Preview your lesson to see the video in your SoftChalk lesson.
