

NOTIFICATIONS DASHBOARD

On the My WTClass tab there is a Notifications Dashboard area. This area provides a quick overview of information that might need addressing within all of your courses.

MODULES ON NOTIFICATIONS DASHBOARD:

- **Needs Attention:** Displays information about Assignments, Surveys, and Tests that need to be graded or reviewed. (Students do not see this module.)
- **To Do:** Provides information for students about Assessments within their courses. This module will not populate information for Instructors.
- **What's New:** Provides information over content that is new and available for you and your students.
- **Alerts:** Provides information over Assignments, Surveys, Tests, and Early Warning System items. (Students do not see this module.)
- **Report Card:** Provides a location for student grades. This module will not populate information for Instructors.

If you do not see all modules and you are listed as the Instructor of Record for a class in Buff Advisor, please contact ITSC at itsc@wtamu.edu to let them know you do not have instructor status.
