

REMOVING COURSES FROM MY COURSES

Courses may not be removed from your My Courses list; however, they may be hidden from view.

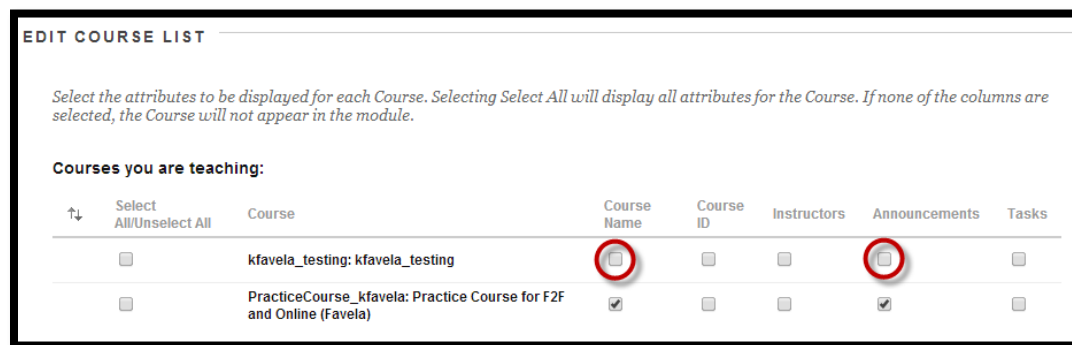

Step 1: Locate the **My Courses** module on the My WTClass homepage.

Step 2: Click on the **Mange My Courses Module Settings** button that appears when you move your mouse over the **My Courses** title area.

Step 3: Uncheck any checkboxes for a course you no longer wish to see.

Step 4: Click **Submit**. Your course(s) should be gone from your My Courses list.
