PANOPTO STATS ASSIGNMENT FOR WTCLASS

A Panopto Stats assignment is used to give a grade for viewing a Panopto video in WTClass.

*Remember: Panopto video is used for sharing original, premium videos with students in your classes. Note that premium videos should be short, concept-based videos that can be used for more than one semester.

DIRECTIONS

[Embed Panopto Assignment into Your WTClass](#)

[Set Settings for Panopto Stats Assignment](#)

[View Panopto Stats Assignment in the Grade Center](#)

EMBED PANOPTO CONTENT INTO YOUR WTCLASS

1. Log into WTClass and open the course you would like to embed the Panopto content video.

2. In the content area (Lessons/Module area), click **Build Content → Panopto Quizzing Tool**.
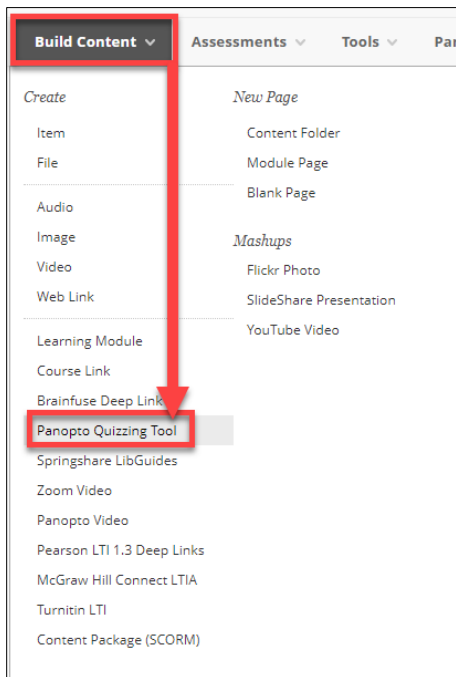

3. In the Panopto pop-up window, you have two options for a Panopto Graded assignment. Choose the option **Grade on % viewed** and click **Continue**.

How would you like to grade this assignment?
- ◉ Grade on % viewed
- ○ Grade on quiz results

Continue
4. **Find your videos.** Select the dropdown menu (A) and select the folder where your videos are located (B). Note: If your folder does not appear within the Quick Access area, expand the My Folder area by clicking on the arrow/triangle to the left of the folder (C).
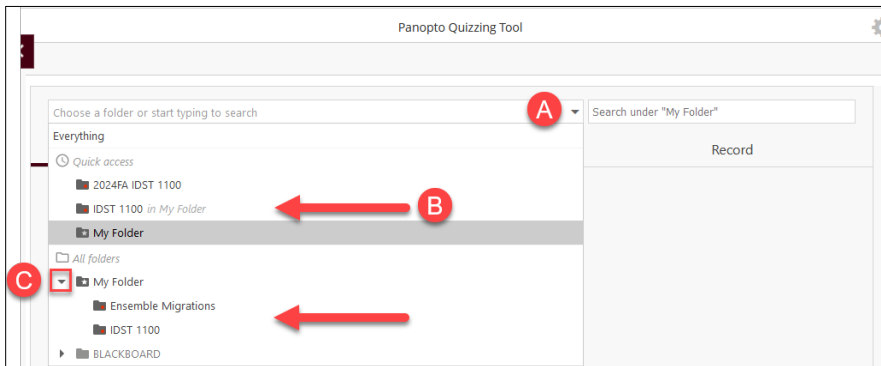

5. Locate your video, select the **circle to the left of your desired video**, and click the **Insert** button.
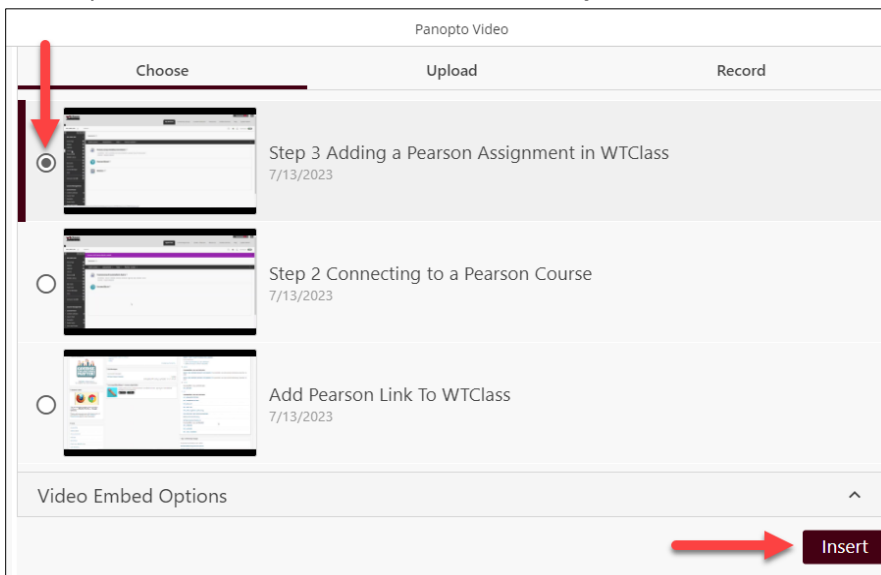

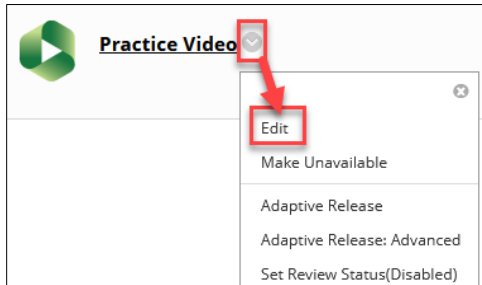

6. The video will be at the bottom of your content area.

Video Lecture #1
PANOPTO STATS ASSIGNMENT SETTINGS

1. Click on the **action arrow** to the right of your Panopto Stats assignment and then choose the **Edit** option from the quick menu.

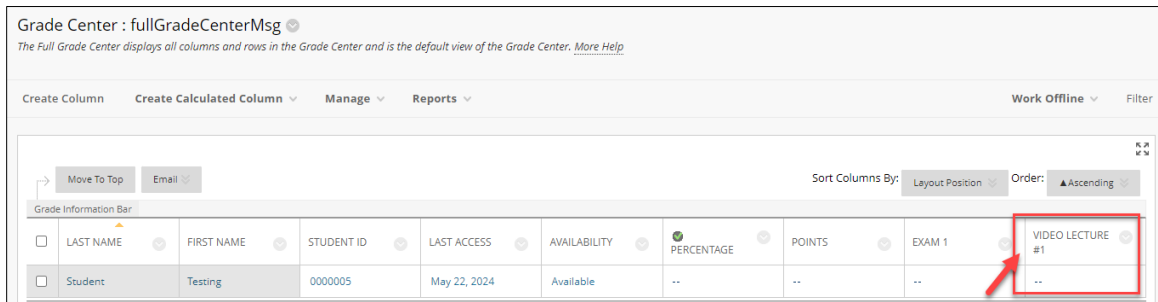

2. In the Edit Web Link Window, you can edit the following setting for the Panopto Stats Assignment.

   A. **Name:** Name your assessment

   B. **Points Possible:** Assign a point value for your assessment

   C. **Visible to Students:** Check **Yes** for students to be able to see their grade

   D. **Due Date:** Date assignment is to be viewed by

   E. **Description:** Add any additional description you would like to appear along with the video link.

   F. **Open in New Window:** Choose **Yes**

   G. **Permit Users to View this Content:** Check **Yes** for all users to see this quiz

   H. **Track Number of Views:** Check **Yes** if you want to track how many times people have viewed the quiz

3. Click **Submit** to save your changes.

VIEWING YOUR STATS ASSIGNMENT IN THE GRADE CENTER

1. You can view the view completion grades by clicking on **Grade Center**, then **Full Grade Center** from the left-hand navigation menu.
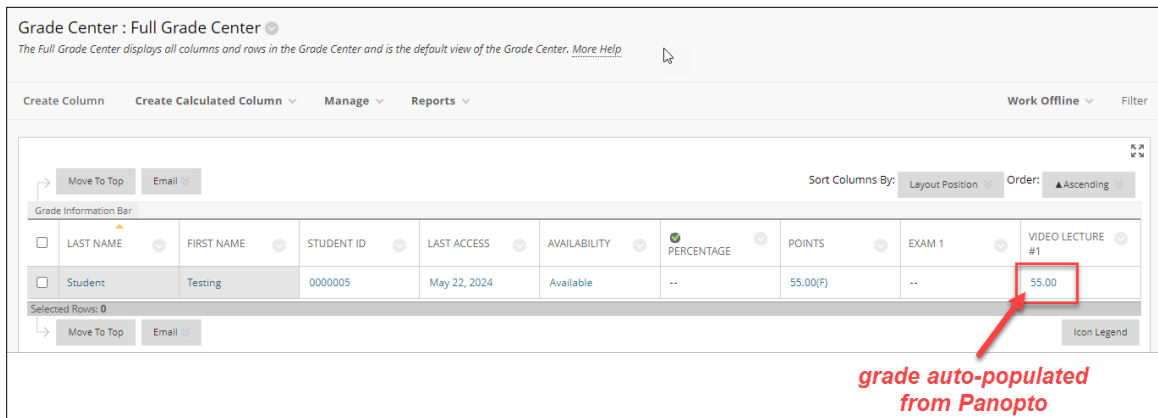

Note: After a student watches a Panopto Stats assignment in WTClass, it may take several hours before the grade populates into the Grade Center assignment column.

2. Students will only receive a grade based on the percentage of the video they have watched. For example, if a student watches only 5.5 minutes of a ten-minute video, the student will only receive a score of 55%.

grade auto-populated from Panopto

Note: This score is auto-populated from Panopto Stats. You may access more information about Panopto Stats with this link: Panopto User Statistics.
